COUNCIL REGULATION (EEC) N° 3975/87 of 14 December 1987 laying down the procedure for the application of the rules on competition to undertakings in the air transport sector

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 87 thereof,

Having regard to the proposal from the Commission(1),

Having regard to the opinions of the European Parliament(2),

Having regard to the opinion of the Economic and Social Committee(3),

Whereas the rules on competition form part of the Treaty's general provisions which also apply to air transport; whereas the rules for applying these provisions are either specified in the Chapter on competition or fall to be determined by the procedures laid down therein;

Whereas, according to Council Regulation N° 141(4), Council Regulation N° 17(5) does not apply to transport services; whereas Council Regulation (EEC) N° 1017/68(6) applies only to inland transport; whereas Council Regulation (EEC) N° 4056/86(7) applies only to maritime transport; whereas consequently the Commission has no means at present of investigating directly cases of suspected infringement of Articles 85 and 86 of the Treaty in air transport; whereas moreover the Commission lacks such powers of its own to take decisions or impose penalties as are necessary for it to bring to an end infringements established by it;

Whereas air transport is characterized by features which are specific to this sector; whereas, furthermore, international air transport is regulated by a network of bilateral agreements between States which define the conditions under which air carriers designated by the parties to the agreements may operate routes between their territories;

Whereas practices which affect competition relating to air transport between Member States may have a substantial effect on trade between Member States;

whereas it is therefore desirable that rules should be laid down under which the Commission, acting in close and constant liaison with the competent authorities of the Member States, may take the requisite measures for the application of Articles 85 and 86 of the Treaty to international air transport between Community airports;

Whereas such a regulation should provide for appropriate procedures, decision-making powers and penalties to ensure compliance with the prohibitions laid down in Articles 85 (1) and 86 of the Treaty; whereas account should be taken in this respect of the procedural provisions of Regulation (EEC) N° 1017/68 applicable to inland transport operations, which takes account of certain distinctive features of transport operations viewed as a whole;

Whereas undertakings concerned must be accorded the right to be heard by the Commission, third parties whose interests may be affected by a decision must be given the opportunity of submitting their comments beforehand and it must be ensured that wide publicity is given to decisions taken;

Whereas all decisions taken by the Commission under this Regulation are subject to review by the Court of Justice under the conditions specified in the Treaty; whereas it is moreover desirable, pursuant to Article 172 of the Treaty, to confer upon the Court of Justice unlimited jurisdiction in respect of decisions under which the Commission imposes fines or periodic penalty payments;

Whereas it is appropriate to except certain agreements, decisions and concerted practices from the prohibition laid down in Article 85 (1) of the Treaty, insofar as their sole object and effect is to achieve technical improvements or cooperation;

Whereas, given the specific features of air transport, it will in the first instance be for undertakings themselves to see that their agreements, decisions and concerted practices conform to the competition rules, and notification to the Commission need not be compulsory;

Whereas undertakings may wish to apply to the Commission in certain cases for confirmation that their agreements, decisions and concerted practices conform to the law, and a simplified procedure should be laid down for such cases;

Whereas this Regulation does not prejudge the application of Article 90 of the Treaty,

HAS ADOPTED THIS REGULATION:

Article 1

Scope

1. This Regulation lays down detailed rules for the application of Articles 85 and 86 of the Treaty to air transport services.
2. This Regulation shall apply only to international air transport between Community airports.

Article 2

Exceptions for certain technical agreements

1. The prohibition laid down in Article 85 (1) of the Treaty shall not apply to the agreements, decisions and concerted practices listed in the Annex, in so far as their sole object and effect is to achieve technical improvements or cooperation. This list is not exhaustive.
2. If necessary, the Commission shall submit proposals to the Council for the amendment of the list in the Annex.

Article 3

Procedures on complaint or on the Commission's own initiative

1. Acting on receipt of a complaint or on its own initiative, the Commission shall initiate procedures to terminate any infringement of the provisions of Articles 85 (1) or 86 of the Treaty.

Complaints may be submitted by:

(a) Member States;

(b) natural or legal persons who claim a legitimate interest.

2. Upon application by the undertakings or associations of undertakings concerned, the Commission may certify that, on the basis of the facts in its possession, there are no grounds under Article 85 (1) or Article 86 of the Treaty for action on its part in respect of an agreement, decision or concerted practice.

Article 4

Result of procedures on complaint or on the Commission's own initiative

1. Where the Commission finds that there has been an infringement of Articles 85 (1) or 86 of the Treaty, it may by decision require the undertakings or associations of undertakings concerned to bring such an infringement to an end. Without prejudice to the other provisions of this Regulation, the Commission may address recommendations for termination of the infringement to the undertakings or associations of undertakings concerned before taking a decision under the preceding subparagraph.

2. If the Commission, acting on a complaint received, concludes that, on the evidence before it, there are no grounds for intervention under Articles 85 (1) or 86 of the Treaty in respect of any agreement, decision or concerted practice, it shall take a decision rejecting the complaint as unfounded.

3. If the Commission, whether acting on a complaint received or on its own initiative, concludes that an agreement, decision or concerted practice satisfies the provisions of both Article 85 (1) and 85 (3) of the Treaty, it shall take a decision applying paragraph 3 of the said Article. Such a decision shall indicate the date from which it is to take effect. This date may be prior to that of the decision.

Article 5

Application of Article 85 (3) of the Treaty

Objections

1. Undertakings and associations of undertakings which wish to seek application of Article 85 (3) of the Treaty in respect of agreements, decisions and concerted practices falling within the provisions of paragraph 1 of the said Article to which they are parties shall submit applications to the Commission.

2. If the Commission judges an application admissible and is in possession of all the available evidence and no action under article 3 has been taken against the agreement, decision or concerted practice in question, then it shall publish as soon as possible in the Official Journal of the European Communities a summary of the application and invite all interested third parties and the Member States to submit their comments to the Commission within 30 days. Such publications shall have regard to the legitimate interest of undertakings in the protection of their business secrets.

3. Unless the Commission notifies applicants, within 90 days of the date of such

publication in the Official Journal of the European Communities, that there are serious doubts as to the applicability of Article 85 (3) of the Treaty, the agreement, decision or concerted practice shall be deemed exempt, in so far as it conforms with the description given in the application, from the prohibition for the time already elapsed and for a maximum of six years from the date of publication in the Official Journal of the European Communities.

If the Commission finds, after expiry of the 90-day time limit, but before expiry of the six-year period, that the conditions for applying Article 85 (3) of the Treaty are not satisfied, it shall issue a decision declaring that the prohibition in Article 85 (1) applies. Such decision may be retroactive where the parties concerned have given inaccurate information or where they abuse an exemption from the provisions of Article 85 (1) or have contravened Article 86.

4. The Commission may notify applicants as referred to in the first subparagraph of paragraph 3; it shall do so if requested by a Member State within 45 days of the forwarding to the Member State of the application in accordance with Article 8 (2). This request must be justified on the basis of considerations relating to the competition rules of the Treaty.

If it finds that the conditions of Article 85 (1) and (3) of the Treaty are satisfied, the Commission shall issue a decision applying Article 85 (3). The decision shall indicate the date from which it is to take effect. This date may be prior to that of the application.

Article 6

Duration and revocation of decisions applying Article 85 (3)

1. Any decision applying Article 85 (3) of the Treaty adopted under Articles 4 or 5 of this Regulation shall indicate the period for which it is to be valid; normally such period shall not be less than six years. Conditions and obligations may be attached to the decision.

2. The decision may be renewed if the conditions for applying Article 85 (3) of the Treaty continue to be satisfied.

3. The Commission may revoke or amend its decision or prohibit specific acts by the parties:

(a) where there has been a change in any of the facts which were basic to the making of the decision; or

(b) where the parties commit a breach of any obligation attached to the decision; or

(c) where the decision is based on incorrect information or was induced by deceit; or

(d) where the parties abuse the exemption from the provisions of Article 85 (1) of the Treaty granted to them by the decision.

In cases falling under subparagraphs (b), (c) or (d), the decision may be revoked with retroactive effect.

Article 7

Powers

Subject to review of its decision by the Court of Justice, the Commission shall have sole power to issue decisions pursuant to Article 85 (3) of the Treaty.

The authorities of the Member States shall retain the power to decide whether any case falls under the provisions of Article 85 (1) or Article 86 of the Treaty, until such time as the Commission has initiated a procedure with a view to formulating

a decision on the case in question or has sent notification as provided by the first subparagraph of Article 5 (3) of this Regulation.

The Advisory Committee shall also be consulted prior to adoption of the implementing provisions provided for in Article 19.
4. The Advisory Committee shall be composed of officials competent in the sphere of air transport and agreements and dominant positions. Each Member State shall nominate two officials to represent it, each of whom may be replaced, in the event of his being prevented from attending, by another official.
5. Consultation shall take place at a joint meeting convened by the Commission; such a meeting shall be held not earlier than 14 days after dispatch of the notice convening it. In respect of each case to be examined, this notice shall be accompanied by a summary of the case, together with an indication of the most important documents, and a preliminary draft decision.
6. The advisory Committee may deliver an opinion notwithstanding that some of its members or their alternates are not present. A report of the outcome of the consultative proceedings shall be annexed to the draft decision. It shall not be made public.

3. In its request, the Commission shall state the legal basis and purpose of the request and also the penalties for supplying incorrect information provided for in Article 12 (1) (b).
